Syllabus

Math 235 - Multivariate Calculus – Spring 2006

Instructor: William T. Ross, Jepson Hall, Room 215, 289 – 8090
Office Hours: MW 2:30 – 4:30, or by appointment

Text – Multivariable Calculus, Stewart, 3 edition

Homework - There will be a written assignment due every day which will be posted in Blackboard. You are allowed to consult each other as long as everybody does their share. Presentation and style will count towards the grade. Homework is due by 5:00PM the day it is due and late assignments will not be accepted.

Exams - There will be three in-class exams and a comprehensive final. The exams will be given on the following dates:

Exam 1 - Mon. 2/13
Exam 2 – Wed. 3/24
Exam 3– Mon. 4/24
Final - 5/5, 7 – 10 PM

There are no make-up exams. If you are not able to take an exam when it is scheduled (for whatever reason), 15% (for each exam missed) will be added onto the worth of the final exam.

Grades - Grades will be computed as follows:

Homework 20%
Exams (15% each) - 45%
Final Exam - 35%

Academic honesty - Students are expected to adhere to the university honor code and must pledge all exams.
